Property Access Agreement

I hereby agree to provide access to Dominic Ventura, On Scene Coordinator for the United States Environmental Protection Agency ("EPA"), Region III, Philadelphia, PA and the members of his response team, including other EPA personnel and EPA contractor personnel necessary for the scope of work. This access is granted for the following location, purpose, and time frame.

Site: Former Federal-Mogul Site

Property Address:

Purpose: Assessment activities to determine whether there is a threat of vapor intrusion into residential/commercial structures due to site related groundwater contamination. Assessment activities may include the following:

- Conduct air monitoring inside home/commercial building;
- Drill small hole in basement or slab foundation floor;
- Insert tubing and collect air sample(s) from beneath the basement/foundation floor;
- Plug the hole or make arrangement with homeowner to leave the tubing in place temporarily, in case future sampling may be needed;
- Document site activities including photographing sampling activities.

Note: The sampling team will provide a written receipt to the property owner the day of sampling for samples collected.

Time Frame: Sampling will be conducted in January 2020. EPA or an EPA contractor will contact you approximately two weeks prior to the sampling event to schedule a specific date and time for sampling at your property.

I certify that, as the owner of the property, I have the authority to provide access.
